

WEEKEND UPDATE

A MAJOR INCIDENT REPORT FROM LOS ANGELES COUNTY FIRE CHIEF DARYL L. OSBY

September 12, 2011

This report covers major incidents occurring **Out of County** during the period beginning on Friday, September 9, 2011, at 5:00 p.m., until Monday, September 12, 2011, at 8:00 a.m.

OUT OF COUNTY RESPONSE:

Kern County: This past weekend, beginning on Saturday, September 4, Kern County Fire Department requested Los Angeles County Fire Department resources to assist with numerous fires occurring throughout Kern County. The majority are being managed under the Keene Complex, as well as the Comanche Incident and the Milano Incident. County Fire deployed six crew strike teams (consisting of two camp crews and one superintendent), two dozer strike teams (consisting of two dozer teams and one superintendent), one CAL-EMA engine strike team (consisting of five Type III engines staffed by County Fire), and one heli-tanker. In addition, incident management personnel, including four battalion chiefs and one captain, were also deployed.

This morning, additional County Fire resources of one patrol strike team (consisting of five patrols and one battalion chief) were requested; the team will be deployed this afternoon.
